1CO-A	1CO excl 01, 03-04 06-07	<p>At this pont, discussion is moving into 'church' behavior vs Jesus' personal behavior.</p> <p>Detailed resurrection instructions so odd, even today not really grasped. Certainly not 'Jesus'.</p> <p>However still hints of meekness etc.</p>	<p>Appears 'in-between' early church and PAS-time. Charismatic but an early eucharist.</p> <p>Introduces baptism for dead, in-depth discussion about resurrection and 'bodies', 'personalizing' of HS</p> <p>Central authority hinted at 9:12</p>	8:1+Idol-meat logic; 9:20-jews still under law;	chap11-odd woman vs man discussion, synvoc=MAT;	5:6-glorying vs sin; 8:12-sinning relative to a brother; 10:10-don't murmur (leaders?); 10:13-temptation maxing; chap13-long disc of love relative to gifts;
			<p>Chap11 doesn't 'seem' Paul on gender and hair. Maybe no covering so outlandish?</p> <p>Foreordaining at this point is early 'wisdom' by God.</p>
