GAL	GAL01-06	This doesn't match anything in gospels beyond 'love' and 'be good'. First post-JERU conference. My guess is Paul was on his own regarding dumping laws.	First strong introduction of gentiles and logic. (Acts places after Peter vision). Essentially the HS takes place of law; faith takes place of works. I'm not sure where the logic came from. Baptism as a criteria seems new, but as purification, pre-Jesus.	2:1++visit to JERU for gentiles; 2:16-faith replaces works of law; 2:21-rightousness thru law= Christ in vain; 3:1++Abraham & the nations; 3:23-law=prep for Jesus; 4:5-law=tutor for sons of God; 4:25 Hagar=JERU Sarah=heaven;	3:28-equality ethnic, status, gender; <<6:12-odd reversal of circumcision instruction;	5:14 the law= love (similar to Jesus answer); 5:26-avoid envy etc;
