Writing	Book Chapter	MATCH?				
		Jesus / Early Church Fit	Theology Introduced	Law / Circumcision Logic	Wealth / Status	Humble / Neighbors / Love
Q'	'Q' MAT various	<p>Bulk of Q is an extension of Enoch/ Sirach. However Jesus does tie directly to 'Father', loyalty, and odd 12 thrones later.</p> <p>Anti-Satan in early part seems to disappear except for Judas.</p> <p>Anti-rich not so obvious; MAR stronger. poor complimented.</p>	<p>Q appears to continue the Wisdom of Sirach., though wo physicians/ medicine AT ALL. Only healing is in lists and centurion. Plus NO SIGN except Jonah.</p> <p>Hints at gentiles, but destruction of pharasees, plus 'vipers' by both JohnB and Jesus.</p>	<p>#9-centurion belief&gt; israel;</p> <p>#37-strate-gate and jews last (MAR src?)</p> <p>#44-LUK law done with JohnB but diff to get rid of. MAT just opposite</p>	<p>#6-dont judge mite in eye</p> <p>#7-fruits from heart (m&gt;vipers!)</p> <p>#28-dont worry, God will provide</p> <p>#29-dont treasure on earth&gt; hearts</p> <p>#42-one sinner&gt; 99 righteous</p> <p>#45-no divorce</p>	<p>#1+JohnB's only sermon, connects straight with physicality; brood of vipers!</p> <p>#4-beatitudes= lowliness (m qualifies and adds)</p> <p>#5-cheekTurning and love everyone</p> <p>#39-Rich reject dinner&gt; bring in poor</p> <p>#47-Forgive 77*7 times</p>
		<p>Doesn't seem to deal with 'law' other than gentiles.</p> <p>Odd village destruction. Maybe destroyed with romans?</p>	<p>HS difficult to separate from 'Enoch'. MAR connects to demons. Also can't position 'kingdom'.</p> <p>Loyalty to Jesus a big issue.</p> <p>Anytime now and little apocalypse both gospels-dated. Kingdom 'nigh' is mainly JohnB</p>
